Dissenting Proposals

(I)

The KADIUM Assembly constituency Serial Number 41 in Rajahmundry taluk of the East Godavari District as at present consists of Rajahmundry taluk excluding Rajahmundry Municipality and Burugupudi, Raghudevapuram and Gokavaram firkas.

The BURUGUPUDI Assembly Constituency S. No. 39 in Rajahmundry taluk of the East Godavari District as at present consits of Burugupundi, Rahudevapuram and Gokavaram firkas.

It has been found by experience during the General Elections so far held that both the constituencies have been presenting considerable inconvenience to both the contesting candidates and voters participating in the Elections.

The Kadium constituency in 'U' shaped, a part of the area of the Burugupudi constituency projecting into the hallow of this 'U'. This geographical juxta-position of the two constituency inhibits the contiguity of the villages in the two areas making communications inconvenient.

It will therefore be necessary to re-arrange the two constituencies so as to form continuous and compact blocks easy of accessability by roads. This can be best done by regrouping the villages of the two constituencies as indicated in the appended Statement.

It will be seen from the statement appended that 5 villages of Burugupudi firka and 4 villages of Rajanagaram firka are proposed to be added to the Kadium and Rajahmundry firkas and that this re-arrangement will bring all the villages into one compact block, to represent KADIUM Constituency.

That leaves anothr compact block consisting of Raghudevapuram and Gokavaram firkas with 13 villages of Burugupudi firka and 8 villages of Rajanagaram firka constituting BURUGUPUDI Constituency.

(II)

In my capacity as an Associate Member of the Commission for Andhra Pradesh, I am enclosing herewith an alternate proposal for Srikakulam district, A. P.

Having come from that district, I am intimately acquainted with its geo-physical features, the nature of communications and administrative units like taluks and Panchayat Samithis, and geographical contiguity and compactness in terms of real accessibility in contradistinction to cartographic contiguity. I am firmly of the opinion that my proposals are in great harmony and conformity to the guidelines provided in section 9(1)(a) of the Delimitation Act, 1972, and, thereby, lend high degree of rationality to the functions of Delimitation.

I may further request that the District authorities of Srikakulam be summoned, at the relevant stage of the process, under section 7(1) of the Act, along with records relating to roads, rivers, and administrative units like taluks and panchayat samithis and their break-up with the Assembly constituencies proposed in the working paper.
